

## PRESS RELEASE - for immediate release

Mary Ann Shallcross Smith, Democrat for State Representative, District 46 Lincoln/Pawtucket stated that if elected, “I will be a strong education advocate at the State House and introduce a “Blueprint for Education” legislative package for public schools, focusing on early childhood through high school and special education curriculums.”

She also pledged to introduce legislation for a predictable and reliable formula to provide adequate funding for public schools and work to further encourage school and business partnerships.

“It’s time for leadership that cares about our children’s future and brings the right blend of educational experience, fresh ideas and new solutions to ensure that the state provides every available resource to our students,” she said.

Shallcross Smith operates a number of successful child development and child care centers and is a well known and trusted advisor on child care and education issues through her role as Dr. Day Care in various media outlets.

She holds a Doctorate Degree in Education and serves as a Court Appointed Special Advocate. She is a past elected member of the Lincoln School Committee. For more information visit [www.MaryAnnShallcrossSmith.com](http://www.MaryAnnShallcrossSmith.com).
